BEHOLD, HOW GOOD AND HOW PLEASANT IT IS FOR BRETHREN TO DWELL TOGETHER IN UNITY! IT IS LIKE THE PRECIOUS OINTMENT UPON THE HEAD, THAT RAN DOWN UPON THE BEARD, EVEN AARON'S BEARD, THAT WENT DOWN TO THE SKIRTS OF HIS GARMENTS. AS THE DEW OF HERMON, AND AS THE DEW THAT DESCENDED UPON THE MOUNTAINS OF ZION: FOR THERE THE LORD COMMANDED THE BLESSING, EVEN LIFE FOR EVERMORE.

NORTHERN VIRGINIA. —( Jan 3, 2022) —

Brethren, As we begin the New Year, let us be thankful as we reflect on our many blessings, embrace the memories of those we lost and praise the GAOTU for the many blessings still to come.

Our organization practices taking good men and making them better. Let us continue to be dedicated to our God and the betterment of this world and the brotherhood. As we pursue these tasks we must first remember and implore the tenets of our 24" Gauge and Common Gavel. Let us continue to be united by contacting those Brothers we've not heard from. Let them and their families know they are Loved and Missed. Let us once again Build Up the Mighty 31st Masonic District by Studying, Believing and Living in our Ritual. We are not here to only perform for ourselves but to perform for those who can not perform for themselves. Perfection here on earth is not attainable but Excellence is through our hard work and God's Grace and Mercy. To God be the Glory for the Wonderful Blessings He has for the Mighty 31st Masonic District.

NORTHERN VIRGINIA. —( Dec 31, 2021) — Greetings Brothers, I just want to express a short message of what Masonry means to me?

I recently heard the following adage: What is a Mason? A Mason is a Son of a King, A Brother to a Prince, a Friend to a Beggar, who meets on the Level, acts by the Plumb, and parts on the Square. He stands as an upright man, with a true word and a true grip.

Those words were particularly powerful to me because it took my mind back to a time before I knocked three times at the outer door of Masonry. A time when all I knew was that I wanted to be a Mason because, “those brothers are about business” and “Masons are at the top of the fraternal totem pole;” so that’s where I need to be. Seeking light was an exciting journey. I’m proud to say I was raised at Pride of Fairfax County Lodge #298, I’ve had the opportunity to see firsthand how good and pleasant it is for brethren to dwell together in unity, how we let the world see how Mason’s love one another, and most importantly, how we apply ourselves with becoming zeal to the practice of the excellent principles inculcated by our Order.

As I continue to improve myself in Masonry, I want to the Jurisdiction to know, I love being a Mason, I respect our Craft, I live by our Mission, and I take seriously what I was taught in the Northeast corner of the Lodge. That’s why I can say with confidence; when my feet shall come to the end of their toilsome journey, I will enter the gates of Thanksgiving and look forward to these welcome words; “well done thou good and faithful servant though has been fateful over a few things, I will make thee ruler over many things, enter thou into the joy of thy Lord.”

Sincerely,

Worshipful Master Meddie Knox and the Brothers of the Craft distributed traditional grocery store items, gift cards and hampers full of Thanksgiving foods to several deserving families in their surrounding neighborhood.

The event would not have been successful had it not been for the generosity of the volunteers, donors, sponsors and other contributors. As always, the Prince Hall Masons continue to serve their community despite the pandemic during these trying times.

## Community Replaces School Names From a Racist Past

CONTRIBUTED BY:  
WM Aaron Drohn , Acacia Lodge #32

Alexandria, VA. -(April 8, 2021) The Alexandria City School Board voted to replace the names of several schools that were intrinsically linked to Alexandria’s racist past. Acacia Lodge #32 was privileged to attend and support the historical renaming of Matthew Maury Elementary School to Naomi L. Brooks Elementary School. In a poll taken by the Alexandria School Board, the proposed school name of Naomi L. Brooks Elementary School gained exponential popularity among Alexandria, Va residents and was unanimously adopted as the official name change, to take place on July 1, 2021.

An Alexandria native Naomi Lewis Brooks (April 14, 1934- May 21, 2020) was a member of the Quander and Lewis families. She earned a masters degree from Virginia State University in Elementary Education. She held many teaching positions in the 25 years as an educator. ## Prince Hall Mason Shares Tales of the Montford Point Marines Brother WPM Carroll Braxton #292

### Brother WPM Carroll Braxton #292

During the early stages of World War II, the U.S. Marine Corps, for the first time in its history, allowed African-Americans to serve within its ranks. But they were not sent to traditional boot camps of Parris Island, South Carolina or San Diego, California. Instead, African-American Marines were segregated and completed basic training at Montford Point, a facility at Camp Lejeune, North Carolina. Many of these Marines would be among the first African-American Marines to experience combat during the Battle of Saipan, in 1944.

Brother WPM Carroll Braxton has been recognized for his continued service to the fraternity and time as a Montford Point marine. WPM Braxton, a Master Gunnery Sgt., a World War II veteran and a Montford Point Marine is a native of Manassas, Virginia, and enlisted in the Marine Corps with several friends in June 1943. Approximately 20,000 African-American recruits received training at Montford Point Camp during World War II.

WPM Braxton recounted his time at Montford Point and recalled President Roosevelt once came and delivered a short speech, stating "One afternoon, we were called outside and this long convertible came along," said Braxton. "You know who it was? It was President Roosevelt. He said, 'Gentlemen I've got a short speech to give you. You have broken every record that the Marine Corps has ever set, and as far as I'm concerned, you're just as good as any Marine who puts on that uniform.'"

In June 2012, a Congressional Gold Medal was awarded to the Montford Point Marines in recognition of their personal sacrifice and service to their country during World War II.
